TO STORE: All product ships vacuum sealed or in heat-sealed zip-top bag; do not remove from bag until ready to prepare. Product may arrive partially thawed; refreezing is not recommended if product has thawed partially or fully. Refrigerate or freeze immediately upon receiving. May be stored in the refrigerator up to 3 days or freezer 1 month.

TO THAW: Thaw product in bag; keep refrigerated while thawing. (May take up to 2 days to completely thaw from fully frozen. Product may be reheated while frozen but will impact reheating time significantly.)

Ingredients: Okinawan sweet potato

Preparation:
instructions are for one bag

Step 1: Thaw (see instructions above)

Step 2: Bring to room temperature OR Microwave on high for 3 minutes until center of largest piece reaches 160°F.

Step 3: Remove from bag and serve.
